To whom it may concern,

Over the last years, I have had the opportunity to engage in cooperative efforts with Mary's web site, TheCommunity.com. She has initiated messages from me on important issues, including the rights of indigenous people, the abhorrent treatment of the Tibetan people and His Holiness the Dalai Lama by China, and other issues near to my heart.

I have been pleased to see her carry these messages out, not only on her web site, Facebook and the Huffington Post, but at times to hundreds of thousands of news outlets.

I have happily referred to Mary as a "co-conspirator".

God bless you,
